Corporate Disco Bingo

Disco Bingo is an engaging music quiz experience where every participant receives their own bingo card and competes by identifying songs across a variety of genres and eras.

HOW IT WORKS

1. Bingo cards & dabbers are provided
2. We play 5 themed rounds (80s, School Disco, Pop Hits & more)
3. Mark off songs as they're played (if you don't know - don't worry! the songs are shown on the TVs)
4. The first to complete their full card calls BINGO! The card number is then checked on the system to confirm the win
5. Prize total increases each round. We play for a full house only!
