## WHAT IS STEAK ON A STONE?

A fun and flavour-packed dining experience where your food is served on a blazing hot volcanic stone at your table. Each dish is prepared fresh by you, giving you full control to cook your steak just the way you like it.

The stone is heated to an impressive 440°C (please don't touch) and is presented on a bamboo board, keeping your meal hot and sizzling while you enjoy every bite.

Do not touch the stone! We do not accept any Liability or Responsibilities for any burns Incurred.
